REQUEST FOR REFUND

Director of the US Patent and Trademark Office

Sir:

Applicant respectfully requests a refund of \$320.00 for an improper debit to Applicant's representatives' Deposit Account 23-3000 for fees for filing a brief in support of an appeal for the above-identified patent application. Applicant's representative recently discovered that the \$320.00 debit was applied by the Office on the December 14, 2006, and believe this fee may have been levied by the Office in connection with Applicants filing of the original Appeal Brief on April 14, 2003 or for a Reply Brief on January 22, 2004.

Applicants filed their Appeal Brief on April 14, 2003 and submitted the \$320.00 fee therefor via check #215669, dated April 4, 2003, the canceled check for which is attached. Furthermore, Applicants' representative received a telephone call from the Examiner on October 16, 2003 enquiring about the filing of this Appeal Brief. A copy of the Appeal Brief and a Communication regarding same that also included a copy of the

above-mentioned canceled check was received by the Office on October 22, 2003. Applicants received the Examiner's Answer mailed on November 24, 2004, and filed a Reply Brief on January 22, 2004, for which no fee was due. Applicants then received a Communication from the Office mailed on April 2, 2004 indicating that the Reply Brief was entered, considered and forwarded to the Board of Patent Appeals and Interferences. On November 14, 2005 an Order Returning Undocketed Appeal to Examiner was mailed by the Board indicating that Examiner's Answer did not include signatures of the Appeals Conference participants and that the \$320.00 fee was not included in the Revenue Accounting and Management (RAM) fee history. On February 6, 2006 the Office mailed Applicants a Communication indicating that these matters had been addressed.

Therefore, for the reasons stated above, Applicants respectfully request a Refund of the \$320.00 fee. If convenient, the refund may be made via credit to Applicant's representatives' Deposit Account No. 23-3000, or via a check made payable to Applicant's representatives.

If the Office has any questions regarding the foregoing, please contact the undersigned at (513) 241-2324. Moreover, if any other charges or credits are necessary to complete this communication, please apply them to Deposit Account 23-3000.

Respectfully submitted,
